PREFACE

We herewith present our patrons with the tenth volume of the series of Melrose Directories. We are grateful to all those who aided us in collecting matter for the book. We note the encouragement of our advertisers who compose the wide-awake and enterprising merchants of Melrose and adjacent towns.

Experienced men have canvassed the town thoroughly and although we do not pretend the list is perfect we think the errors have been reduced to a minimum.

The Street list we publish as heretofore, also list of deaths of adults for the last two years.

The population has increased some since our last book was issued, and the book is growing larger.

Hoping to publish another edition in two years

We remain,

Nov. 18, 1911 UNION PUBLISHING CO.

FACTS ABOUT HOOD'S MILK

A PERFECT MILK IS A PERFECT FOOD

H. P. Hood & Sons originated and employed hygienic methods in the production of PURE, CLEAN and SAFE Milk in the country years previous to any measures being taken by the Boards of Health or United States Department of Agriculture.

During sixty-five years of continuous service not a case of disease has been traced to Hood's Milk.

The name of "HOOD" is and has been for sixty-five years a synonym for excellence of dairy products and honesty and liberality in commercial dealings.

H. P. Hood & Sons have always maintained the highest standard in the quality of their dairy products and sell milk, cream, butter and cheese at the lowest price for which a PURE, CLEAN and SAFE article can be put upon the market.

The transportation facilities from their sources of supply in the country to the consumers in the city, and their local and suburban delivery system are unexcelled.

Hood Farm Milk won an Award of Merit for Excellence of Quality at the National Dairy Show Association Exhibition held under direction of the United States Department of Agriculture at Chicago, Illinois, February, 1906, after having taken the longest journey of any of the twenty-one lots of milk exhibited.

Hood Farm Milk won the First Premium for Excellence of Quality offered by the Granite State Dairyman's Association at an exhibition held at Peterborough, New Hampshire, December 7, 1906.

Hood Farm Milk won HIGHEST HONORS and Gold Medal in the National Dairy Show Association Milk and Cream Show, at Chicago, Illinois, October 20-29, 1910, held under direction of the Dairy Division, Bureau of Animal Industry, United States Department of Agriculture, scoring 97.5 points, the highest award in an exhibit of one hundred and five samples from twenty different states and Canada.

Hood's Milk, Cream and Butter are supplied fresh every day in more than 100,000 homes, hotels and restaurants of Greater Boston, Lawrence, and Manchester, N. H.

Hood's Butter was awarded Sweepstakes and First Premium by the Granite State Dairyman's Association at their Annual Meeting and Exhibition held at Exeter, New Hampshire, January 14, 1910.

No other milk dealers have expended the money to safeguard the health and happiness of their customers by employing experts as inspectors to instruct the farmers—first, as to the health of the herd and its protection; second, the cleanliness of the cows and their surroundings; third, construction and care of the utensils; fourth, the health of the employees and the manner of milking; fifth, handling the milk; the maintaining of a laboratory, and making daily bacteriological tests and analyses; perfecting unexcelled transportation facilities and protecting the milk, cream and butter from contamination during transportation from the farm to the consumer's door, insuring them to be PURE, CLEAN and SAFE.

YOUR OWN EXECUTOR

By means of the Life Annuity Bond a man may virtually become his own Executor. He can make a Will **that cannot be broken** Lawyer's fees and Court Costs can never eat up one penny of it. He can know WHAT his Beneficiary will receive, WHEN and for HOW LONG. He can fix it all himself—while he is alive and in his senses—and IT WILL STAY AS HE FIXES IT. Send me the date of birth of yourself and your Beneficiary and I will mail you full particulars regarding the safest, most permanent and most economical form of protection ever yet devised.

Carpets Cleaned, Laid, Fitted and Sewed

MATTRESS AND FEATHER BED RENOVATING. CARPET LINING AND STAIR PADS. RUGS WOVEN FROM OLD CARPETS. ORIENTAL RUGS CLEANSED AND REPAIRED.

Warren's Malden Rug Works offers you the opportunity of utilizing your old and worn out carpets and remnants for making beautiful and serviceable rugs.

Rugs woven by our new and improved process are more durable and will wear longer than any other rug made. Both sides are alike. They will not roll, curl, fray or ravel and cost less than any other rug you can buy.

We can use ingrain, brussels and tapestry carpets. Brussels, tapestry and wiltons can be combined; but ingrains must be woven by themselves.

Several patterns of carpet can be woven in the same rug, combinations sometimes making the handsomest rugs.

Dealers in Brass and Iron Bedsteads, Springs and Mattresses, Dressers, Commodes and Chiffoniers, Straw Matting, Carpets, Rugs and Oilcloth.

Magee Ranges. Furniture Upholstered and Repaired.
